Administrando integralmente las reservas y recursos hidrocarbúricos del país en forma sostenible y con responsabilidad social

**PROSPERIDAD
PARA TODOS**

Bogotá, August 12 , 2014,

To Whom It May Concern:

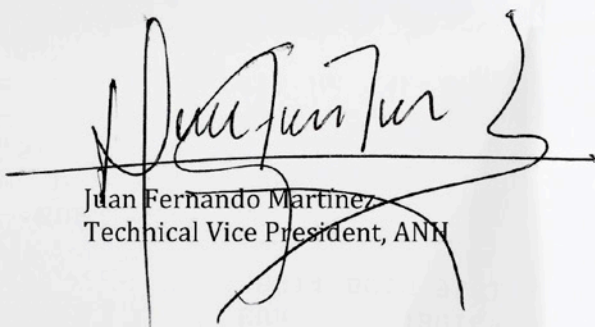

We would like to communicate in writing our commitment to be present at the **Shale Colombia 2014** congress, organized by LBCG, to be held in the city of Bogotá (Colombia) on September 30 and October 1, 2014, as well as our will to officially endorse the event.

The Technical VP ANH Juan Fernando Martinez will be present at the conference, and will contribute a session on fiscal incentives and the legal and regulatory requirements established by the ANH and the Government of Colombia.

Also, Alejandra Mejia-Molina, Geologist at the ANH, will be offering a technical presentation on the latest geochemical and geological characterization data of the Cordillera basin.

If any of them cannot attend for any given reason, ANH will designate another representative to take care of these presentations.

Best regards,

Juan Fernando Martinez
Technical Vice President, ANH

Alejandra Mejia-Molina
Geologist, ANH
